Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the “Submit Without Changes” process and e-snaps will automatically be set to “Make Changes”. All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

Renewal Grant Consolidation or Renewal Grant Expansion

The FY2021 CoC Competition will continue offering opportunities to expand or consolidate CoC projects. A few changes have occurred that differentiate the process from FY 2019.

1. Expansions and Consolidations will submit individual applications.
 - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
 - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

VOC provides 8 units of scattered site permanent supportive housing for chronically homeless families. The program serves families that have had long shelter stays and are assessed as needing supportive housing in order to be able to exit shelter successfully.

Project participants are offered regular case management to assist them in maintaining housing and working toward self-sufficiency. Services are not mandatory.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

**1. Is this project “100% Dedicated,” DedicatedPLUS
“DedicatedPLUS,” or “N/A”?**

(Only select “N/A” if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of “non-dedicated permanent supportive housing beds” in the NOFO Section III.C.2.p).

Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.
