2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2022 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2021 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects must identify those projects on this form.

Amount Available for New Project:
(Sum of All Eliminated Projects)

\$62,792

Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation

Eliminated Project Component Type: PH-PSH

Eliminated Project Annual Renewal Amount: \$62,792

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The Project Scoring and Ranking Committee met on Oct. 27, 2021 and reviewed and ranked all projects. This project received a much lower evaluation score than any other renewal or new project. Based on the very low score, the committee determined that the project should not be renewed.

The project applicant was notified on November 1, 2021 that the project would not be renewed in a meeting, with a written confirmation of that information provided to the agency that same day, via email, after the meeting.

4. Reallocation - Grant(s) Reduced

CoCs reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2021 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$56,128					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type

Amount available for New Project(s): \$56,128
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The CoC Scoring and Ranking Committee scored and ranked all projects. This project was the last project to be included in Tier 1, but it straddled Tier 1 and Tier 2. The Committee made a strategic decision to partially reduce this project to fully fit in Tier 1, in order to increase the likelihood of being awarded Tier 2 projects.

The applicant was notified of the reduction, by phone and in writing, on November 1, 2021.
